

UNION COUNTY GRAND PRIX SERIES

<http://uchd.net/wellness-consortium#UCGPS>

The Union County Grand Prix is a series of local races promoting fun walk/run competition with a year end award ceremony to recognize participants.

Participation is simple

Sign up for one of the UC Grand Prix Series Races! The Grand Prix Series will tabulate all race results. Following each race point leaders in each age and gender category will be announced through the Marysville Journal Tribune, UCHD website and Facebook.

Participate in as many races as you would like or can. Participants will receive points for just finishing as well as placing in the top 5 in their age group. New this year, ties for the overall GPS will be determined by each runners average mile pace. Please note, each race in the Grand Prix Series is operated independently and therefore determines their own registration fee and registration process.

End of Year Recognition

Invitations will be sent to participants in the top three places in each age group both male and female. Final award winners will be announced at the end of the year event on December 11, 2019.

Visit www.uchd.net/wellness-consortium#UCGPS or www.runsignup.com/Series/ucgps for updates and more details!

All Grand Prix Series Races are required to offer:

- Electronic Timing*
- First Aid
- Water Stations
- Online registration
- Course Maps
- Charitable contribution with proceeds

A complete list of Grand Prix races
is on the back!
