Classes are held in Studio #1
Indoor Quick Walk meets in the Gym.

Classes are held in Studio #2

Classes are held in Studio #3

Classes are held in Lap or Therapy Pool.

Anything Goes: The name says it all. It could be anyone of our class formats, incorporating both cardio and strength training. Studio #2

Barre Blend: A blend of Light Cardio, Pilates, Yoga strength training and Ballet', to challenge and tone the entire body by helping you with strength, flexibility and stabilization. Studio #2

Body Sculpt: A barbell class that sculpts, tones and strengthens your entire body. Workout is done with the REP EFFECT in mind, focusing on low weight loads and high repetitions. Burn fat, gain strength and quickly produce lean body muscle conditioning.

Body Sculpt/Interval: Using the same technique as we do in our regular Body Sculpt class we have incorporated bursts of intervals in between each toning session. Studio #2

Boot Camp: High energy, motivated, dedicated instructors will guide you through challenging cardio and toning moves, helping you to push past your physical fitness limit.

Cardio JamZ: A Dance style class featuring interval training sessions where fast and slow rhythms are combined to tone and sculpt your body while burning fat done to fun Pop and Latin style music. Studio #2 **Family Cardio JamZ:** For the whole family ages 9 years and up or come on your own to this fun packed dance class. You will love the laughter and physical activity you receive from this class as you do it together as a family. Studio #2

Cycle 360: Add variety to your indoor cycling workout with this total body circuit workout This class will take you on and off the bike, using weights and resistance tools as well as incorporating your core work then repeating the process. Making this a 45 minute full 360 workout in one class. Studio #3

Deep Water Power Pump: High intensity total body conditioning, cardiovascular and muscular strengthening, perform exercises without any straining to your body joints. Great for circulation and improving overall fitness. Floatation belts and water resistance equipment will be used. Lap Pool

Group Cycling: Instructor lead class on stationary bikes using different riding positions and varying the wheel resistance. Bikes are available on first come, first serve basis, sign up at front desk. Studio #3

Hit It! (Boxing class): Intense Boxing routines using free standing punching bags, learn proper form to punch and kick the bag. You will also have burst of high intensity intervals for extra cardio. Studio #2

Indoor Quick Walking: Held in our gymnasium. Energetic, fun fast paced 30 minutes of walking to the beat of motivating music. Class is for every fitness level and every age. YMCA Gym

Kettle/Yo: The best of both, using strength and conditioning for your muscles with the KettleBell for 30 minutes then work on the mind, body, and soul aspect of Yoga for 30 minutes to increase your flexibility. Studio #1

Morning Shallow Water Fitness: Aerobic conditioning is what this class is all about. Both cardio and toning done in the shallow end of the pool. Lap Pool

Pilates Barre Blend: Combining two core strength classes. **Pilates:** Proper body mechanic movements with coordinated breathing. **Barre Blend:** Light Cardio, Pilates, Yoga Strength training and Ballet' challenging the entire body. Studio #2

Power Step: 30 minutes of power house step routines to a 32 count upbeat motivational music with non-stop energy to push you through the workout. Studio #2 **Step and Tone:** 1 hour class using 32 count beats per minute of a rhythmic choreographed routine on a step. Step portion of the class is 30-40 minutes then strength and conditioning tools are brought in for the toning portion of the class. Studio #2

Silver Sneakers Chair Yoga: Yoga style moves done to meditating music with the aid of a chair for balance and joint problems. Studio #1

Silver Sneakers: Move to music through a variety of exercises designed to increase muscular strength, range of motion and activity for daily living skills. Studio #2

Tabata HIIT: Extreme high intensity cardio class! Each interval is done on a timing basis with short rest periods in between. You will burn calories and sweat IT OUT! You must have been doing some form of cardio in your regular exercise regimen before attending this class for the first time. Studio #2

TRX Suspension Training: In Suspension workouts the user's hands or feet will be supported by a single point while the opposite end of the body is in contact with the ground. An ideal mix of mobility training for strength, endurance, coordination, flexibility, power and core. **TRX Body Blast:** Uses a coordinated tempo, your driven by the beat of the music.

Water Arthritis Exercise: This recreational program includes exercises to improve the participant's overall function and performance of daily tasks, mobility, gait, flexibility, balance and coordination. Low intensity endurance such as walking is included to prevent chilling. Therapy Pool

Get on Board/Arthritis: The same format as our other Arthritis classes with the added tool of a Silver Sneaker Kick Board, to aid in balance and toning for class participants. Therapy Pool

Warmzone Aquatone: A Low intensity class, designed to focus on strengthening and toning. Yoga and Pilates will be added to build core strength, increase flexibility and improve balance. Different equipment water weights, kick boards, water noodles, are used in the workout to achieve muscle endurance. Low cardio will be used as needed to keep participants warm and comfortable. Therapy Pool

Yoga: Use body and mind in this class for strength, cardiovascular conditioning and flexibility using music to enhance your experience. Many people take Yoga for the sense of well-being and peace it brings.
