**Tabata HIIT:** Extreme high intensity cardio class! Each interval is done on a timing basis with short rest periods in between. You will burn calories and sweat IT OUT! You must have been doing some form of cardio in your regular exercise regimen before attending this class for the first time. Studio #2

**Tai' Chi':** A graceful form of yoga and meditation combined. The movements are slow and focused. Benefits of this class include: Reduced pain and stiffness, Uplifting sprits, improved muscle strength and joint flexibility, and improved balance. Studio #1

**TRX Suspension Training:** In Suspension workouts the user's hands or feet will be supported by a single point while the opposite end of the body is in contact with the ground. An ideal mix of mobility training for strength, endurance, coordination, flexibility, power and core.

**TRX Body Blast:** Using a coordinated tempo, class is driven by the beat of the music. Performing sets and repetitions of each exercise move. This class is ideal for participants new to TRX Suspension.

**TRX Circuit Training:** Boot camp style, each individual chooses a pace and difficulty range, class is driven by the clock. It is an ideal class for participants accustomed to sport-specific or boot camp style training, for those who enjoy pushing themselves to the limit. Studio #3

**Active Aqua Wellness:** Is an aqua class held in our warm water therapy pool that anyone ages 13 yrs. and older can participate in. This class keeps the participant who does not tolerate the cooler water temps of our lap pool in mind. Class includes exercises to improve overall function and performance of daily tasks, improving mobility, gait, flexibility, balance and coordination by using low intensity that will help you focus on strength and toning. You will use exercise techniques to build your core strength as well, by using different equipment such as water weights, kick boards, and water noodles. Low cardio is used as needed to keep participants warm and comfortable. Therapy Pool

**Yoga:** Use body and mind in this class for strength, cardiovascular conditioning and flexibility using music to enhance your experience. Many people take Yoga for the sense of well-being and peace it brings.

**Yoga Strength:** Will provide all the wonderful benefits of yoga while incorporating light weights into the yoga practice to help strengthen your bones and muscles.

**Yin Yoga:** Works your YIN tissues also known as your connective tissues. By doing a slow, steady load when holding the poses longer it will allow stimulation helping remove blockages in the myofascial meridians of your body, helping to balance the internal organs, gaining an end result of your muscles relaxing around the connective tissue.
