

Union County Family YMCA Winter Weather Advisory Policy

The safety of our members and staff is the most important factor in determining weather-related closings. If conditions warrant, the CEO may decide to close the YMCA early, delay opening, cancel programs and classes, or close the facility on severe weather days.

When Union County issues a **Level 1**, the YMCA and all programs including Kidzone will remain operational.

When Union County issues a **Level 2**, the YMCA will remain open. The Kidzone will be closed. All classes/programs will be cancelled.

When Union County issues a **Level 3**, the YMCA will be closed until the Level 3 has been lifted.

Please look for updates as levels can switch quickly. Closings will be communicated through the Union County Family YMCA's website and social media accounts.
