SESSION ONE

 Space Invasion
June 24th-27th,
1pm-3pm

Children will explore what life is like in outer space, differences between day and night and the sun and moon. We will end off our space invasion with a "Martian Dance Party," complete with the robot and break dancing, as we develop coordination and muscle memory.

SESSION TWO

Surf's Up
July 8th-11th,

Are you ready to ride the wave? Let's hit the beach and enjoy this bright summer theme! We'll create a beach atmosphere, allowing children to really imagine they are at the beach and getting ready for their surfing adventure. Fine arts will be explored and fun will be had!
